### Campsites

When you arrive, you will check-in with your tickets and then marshals will direct you to your campsite.

The campground is suitable for most vehicles, including motorhomes & caravans.

Campsites are 10 x 8m with a maximum of 5 people per site; please don't take up more space than you are allocated. All vehicles must be positioned to allow for emergency exiting of the site - caravans / camper-trailers with drawbars to the road, motorhomes facing the road etc.

### Group Camping

If you would like to camp as a group, please arrive together in a convoy. Campsites are allocated on arrival. To ensure a continual flow for check-in, sites cannot be reserved for later arrival.

### Campfires

Subject to current weather conditions and any fire bans in place at the time. If campfires are permitted only small, contained campfires within constructed firepits will be allowed (i.e. Oz Pig or similar). You may bring your own firewood supply, as collection on the surrounding property is prohibited.

### Rubbish

Bins are provided in the camping area. Campers must ensure the campsite is left clean and tidy on departure.

### Amenities

Toilet and shower blocks are provided in the camping area. These will be serviced regularly. It is the camper's responsibility to keep amenities clean and tidy at all times.

If you have a caravan with amenities, we ask that you use them whenever possible to help us with overall amenities capacity and servicing.

### Water

Limited potable water will be available at the camping area.

### Greywater

You are permitted to dispose of grey water on your site.

### Blackwater

Blackwater disposal tanks will be available at the camping site in an allocated area, please ensure you use them. Dump points are also located in nearby towns such as Dalby and Chinchilla. **DO NOT** empty blackwater into portaloos as this will affect the operation of the amenities and impact other campers experience.

### Generators

Permitted, however, only to be running between the hours of 8am and 8pm.

### Alcohol

Jimbour House is a licensed venue, and bars will be operating throughout the festival.

Please drink responsibly! Anyone who is intoxicated and causing a nuisance will be removed from the site.
